May is… Dinosaurs!

Many years ago there was a catastrophic change-the end of the dinosaur era. This month we will become Paleontologists, digging up information on dinosaurs. We will learn that the Brontosaurus was longer than 3 school buses, that the T-Rex had 60 plus teeth, and that the Stegosaurus had 2 brains that were the size of a walnut. We will eat meat as the meat-eating dinosaurs did and vegetables like the plant eating dinosaurs did.

HOLIDAY

Shepherd of the Hills Preschool and the Extended Care Program will be closed **May 29th** in observance of Memorial Day.

FAMILY PICNIC DAY 10:00 A.M.

To help us celebrate the end of the school year and to thank all our parents for a fantastic year we are having our annual family picnic on the days listed below. We are asking for parent volunteers to prepare and cook the food. The staff will serve so that you can enjoy this time with your child. Look for a sign-up sheet to be posted closer to the end of the month.

For the family picnic day we will also be asking each child to bring in a food item to contribute to the picnic. A note will be sent home with a specific item for your child to bring closer to the picnic date.

Please plan to spend the morning with your child. If for some reason you cannot attend please send a friend or family member to be here with your child.

OUR LAST DINNER NIGHT OUT

Please join us for our last dinner night out for the year at Pieology here in Vacaville. It is **Tuesday May 9th** from **12:00-8:00 P.M.** The preschool receives a percentage of the food sales for the night when you present the attached flyer. We will have extra flyers on the bulletin board if you would like to share the flyers with neighbors, friends or family. It is a great time to visit with other families in the preschool while enjoying good food.

CHERUBS

This month we will talk about the many miracles Jesus performed. **The last day of cherubs is Friday June 2nd.**

No Cherubs on May 24th & 25th because of family picnic days.
