A Visit to the African Safari

God has created many animals to live in his world. Each animal has a different part of the world that they live in, and this month we are exploring the animals that live in the African Safari. We will take our binoculars, our pith helmets, comfortable shoes and travel to Africa to see some of the most unusual animals God has made. We will see giraffes, elephants, lions and Zebras. We will talk about the different features each animal has such as their long necks and beautiful stripes. We will also learn what they eat and how they live in their environment.

ANIMAL PARTY

We will end this month with an animal party. We are asking that the children dress up as their favorite animal. We will play games, and have a special snack. We will also have an animal parade starting at 9:00 A.M. We encourage parents/grandparents to stay because it is a great photo opportunity as well as a chance for us all to see the creative costumes the children will be wearing.

Party Dates are:

T-Th	**Thur**	**Oct. 27th**
M-W-F & 5 Day	**Fri**	**Oct 28th**
