JANUARY IS…
I AM SPECIAL!

This month we will learn how God made each one of us very special and we are getting big enough to do wonderful things for ourselves. We will learn that we are alike in many ways, yet we are also different because God gave us special characteristics and talents. We will find that our size, shape, and color vary in each of us. It is important for parents and teachers to remember that all children learn and grow at their own rate. Everyone is special because each of us is a child of God.

PAJAMA PARTY

We will end the month with a pajama party. We are asking all the children to wear their favorite pajamas and slippers or shoes, to school. For a warm and cozy treat, we will serve hot cocoa and have bagels for snack. To prevent our slippers and pajamas from getting dirty we are planning to stay inside for the morning. If you stay for Cherubs please send socks and shoes for the afternoon.

The dates for the parties are:
