MAY IS... DINOSAURS!

Many years ago there was a catastrophic change-the end of the dinosaur era. This month we will become Paleontologists, digging up information on dinosaurs. We will learn that the Brontosaurus was longer than 3 school buses, that the T-Rex had 60 plus teeth, and that the Stegosaurus had 2 brains that were the size of a walnut. We will eat meat as the meat-eating dinosaurs did and vegetables like the plant eating dinosaurs did.

HOLIDAY

Shepherd of the Hills Preschool will be closed Monday **May 27th** in observance of Memorial Day.
